

100 More Men Freed, Switch in Last Week

PANMUNJOM — The Korean War prisoner exchange moved into its fifth and possibly last week today with 100 more Americans returning to freedom from North Korean prison camps.

The Communists promised to hand back another 100 Americans tomorrow, as well as 200 South Koreans for a total of 300 the smallest daily total since the dramatic swap started 28 days ago.

Besides the 100 Americans, 23 British, 20 Turks, 5 Australians and 250 South Koreans returned to freedom Tuesday.

Riding happily into Panmunjom on open trucks today were two high-ranking Allied officers, both with many months of Red captivity behind them.

One was Lt. Col. James P. Carne, commander of the 1st Battalion of Britain's gallant Gloucestershire Regiment, which was all but wiped out when cut off in the Imjin River battle in April 1951.

Carne, puffing a pipe, hopped off a Red truck and told Allied officers who greeted him, "It feels great to be back."

The other top-ranking repatriate was an American, Lt. Col. Paul V. Liles, a West Pointer who spent almost three years as a prisoner. He told a grim tale of systematic Communist pressure on prisoners to make them sign confessions and make propaganda broadcasts. He said he and a group of prisoners who had been nearly starved to death were forced by the Reds to broadcast over Pyongyang radio.

He said the alternative was a 100-mile march over frozen highways — "tantamount to a death sentence."

With the exchange moving into its final days, the Reds, as of Tuesday, had returned 2,921 Americans of the 3,313 they originally said they held. The Communists have since indicated they hold more and have promised to repatriate all who want to go home. They have given no figures, however.

But one American released Tuesday said about 350 Allied sergeants, mostly Americans, are still awaiting repatriation at Kaesong, the Red holding point just north of Panmunjom.

Thousands forced from their homes remained in emergency shelters again last night as health authorities gave typhoid inoculations and warned residents of this wide Gulf Coast area near Corpus Christi to boil drinking water.

Yesterdays was the first day since last Thursday that heavy downpours skipped this flood-plagued city and nearby Sinton. More than 2,500 were chased from their homes during the downpours.

Robstown city officials said it would be some time before the city is free of flood waters. A lake almost three miles wide circled the greatest part of the city's outskirts. The main residential district and the business district was slowly drying out last night.

Health officials said that since flood waters covered about 1,000 plives in the town's outskirts that all flood water must be assumed to be contaminated.

Mayor Dudley Dunlap of Robstown said no damage estimate was available.

Although the heavy rains skipped Robstown and Sinton yesterday, the heaviest in nine years flooded Uvalde in the goat-and-honey country west of San Antonio. Rain in Uvalde's city limits measured up to 6 inches. Uvalde is the home of former Vice President John Nance Garner.

Forty families, hurriedly evacuated, had returned to their homes early today and were cleaning inch-thick mud from floors and furniture.

High water closed roads north and south out of Uvalde. In Gulf Coast flatlands between Harlingen and most to Houston, a newspaper editor said two to three feet of water surrounded thousands of homes, covered fields and stood in rural roads.

Except in the Uvalde area, where some farmers and ranchers said the drought was broken, little change in the general drought situation was expected immediately.

Army Orders Civil Work Cutback

WASHINGTON (AP) — The chief of Army Engineers has ordered a 23 million dollar cutback in expenditures for civil works, including the flood-control and rivers and harbors programs.

An engineer spokesman said today Maj. Gen. S. E. Sturgis Jr., has ordered division engineers to reduce expenditures for the fiscal year ending next June 30 to 500 million dollars—although a total of 823 million is available in appropriations and unexpended funds.

Division engineers are now revising the entire schedule of work on rivers and harbors, navigation and flood control.

News Briefs

By United Press
LITTLE ROCK, (UP) — State Highway director Herbert Eldridge today said a field survey to determine the feasibility of a toll bridge across the Mississippi river at Helena has been completed.

Eldridge said traffic origination and destination surveys were made on the Helena ferry near Lehi on U. S. Highways 70 and 79 and north of west Memphis on U. S. highways 71, 63, and 64. The Mississippi state highway department made similar surveys at the Greenville Bridge and on U. S. highways 51 and 61.

Eldridge said the surveys, ordered by the Arkansas highway commission, were turned over to the University of Arkansas for analysis and a complete report was expected by Sept. 30.

LITTLE ROCK, (UP) — Harold Ohlendorf, an Osceola Planter, was named chairman of the 1953 resolutions committee of the Arkansas Farm Bureau Federation.

The committee membership was announced here yesterday by Federation President Joe C. Hardin of Grady.

In addition to Ohlendorf, the members were:

C. A. Adams, Camden; Gordon R. Brown, Scott; E. H. Clark, Hughes; George Collier, Paragould; Roy Tester, Copeland; Leon Garot, DeWitt; J. C. Jones, Huntsville; M. N. Keith, Malvern; O. O. Kemp, Rowser; Mrs. Charles McDougal, Stuttgart; Max Miller, Marianna; Sterling Pitts, Lincoln; Ned Purdie, Hope; R. H. Smith, Walnut Ridge; Mrs. William Wilke, Round Pound, and Ray Sikes, Alleene.

LITTLE ROCK, (UP) — Federal and State highway officials were to meet here today to clarify coordination procedures affecting Arkansas highways.

State highway director Herbert Eldridge announced a news conference for 10:30 a.m. He said members of his department and E. R. Oliver of the U. S. bureau of public roads would attend.

The Arkansas Highway Commission recently cancelled a scheduled contract letting and the cancellation was attributed to a delay in coordinating plans with the federal agency.

Oliver, whose custom it has been to attend state highway commission meetings, has not attended recent meetings of the body. No explanation was offered.

LITTLE ROCK, (UP) — Arkansas collected \$9,492,368 in state taxes during August for a new record of the month, State Revenue Commissioner Vance Scurlock announced.

However, Scurlock said "we are not very proud of this." He explained that the trend for state collections in Arkansas was not keeping pace with the national stride.

Collections this August, he said, were about \$12,000 ahead of August, 1952. A sharp drop was noted in cigarette tax income, yielding last month only \$552,000 as compared to \$633,000 last August.

The state gasoline tax accounted for the largest amount of revenue for August. Collections to "continued on Page Two"

Compromise on Corporation Taxes Seen

By CHARLES F. BARRETT

WASHINGTON (AP) — Rep. Richard M. Simpson (R Pa.) said today that Congress may compromise on a cut of about 4 per cent in corporation income taxes on April 1.

Any such compromise, he indicated, would be part of a program aimed at averting bitter tax clashes between the Eisenhower administration and some key Republicans in Congress, such as flared during the past session.

For example, a corporation making \$100,000 profit under the present rate would pay \$52,000 tax. Under the lower rate it would pay \$47,000. This would be \$5,000, or nearly 10 per cent, less.

Under present laws, corporation income taxes are due to drop automatically on April 1 from 52 percentage points to 47 on a corporation's taxable income—which should mean that a corporation's tax bill would be lowered by about 10 per cent. That would cost about two billion dollars annually in revenue at a time when the administration is struggling toward a balanced budget.

President Eisenhower has urged indefinite postponement of the cut, but the request is sure to stir a fight in Congress.

Simpson, the third-ranking Republican member of the tax-writing House Ways and Means Committee, said the final result may be to fix the rate at 50 percentage points — roughly splitting the difference between the administration and supporters of the full reduction scheduled. Such a result would lower a corporation's tax bill by about 4 per cent.

Simpson said in an interview this might produce enough revenue to balance the budget if the administration, as some congressmen predict, also calls for a broader and more uniform system of excise (sales) taxes.

Without naming them, the Alabama senator criticized Southern colleagues who have said they will not be bound in advance to support the nominee of the party's next convention.

Hill said if this question is going to be brought before the Democratic rally in Chicago Sept. 14-15, as suggested by Gov. Hugh White of Mississippi, he intends to be on hand to speak his mind on the issue.

"I think those who take part in the party's councils and who receive all of the benefits and honors of the party should be loyal to it and to its nominees," he declared in an interview.

On the other hand, Gov. John S. Battle of Virginia, said he will pass up the 1956 convention unless he has "reasonable assurances" that the party's pledge of loyalty to the national ticket will be dropped.

"I would think the party leaders realize now they made a terrible mistake in setting up the pledge," Battle said yesterday. He played a major role in the successful Carolina and Louisiana despite their refusal to be bound by the pledge.

Battle plans to attend the Chicago get-together this month. Several key Southerners have said they will not go. Among them is Sen. Holland (D-Fla.) whose decision was termed regrettable by Rep. Celler (D-NY).

"The Democratic party, with good leadership and political acumen, can easily capture the House and the Senate in 1954," Celler said in a statement. "There should be no southern defections on the eve of victory."

Holland had said he has seen no evidence that the Democratic party leadership has changed the views which cost it four Southern states last year.

As for the loyalty pledge, Gov. White has suggested that the Chicago meeting could go on record as favoring its abandonment. But national headquarters spokesmen said they believe that if the issue is raised at Chicago, it will be shelved.

A subcommittee is scheduled to report on the adoption of formal rules for the national committee, but this group has no control over the national nominating convention beyond settling up the original role of delegates. The national conventions adopt their own rules.

WASHINGTON (UP) — U. S. experts said today Russia's latest atomic explosion indicates the Soviet Union is beginning to develop a diversified "family" of A-bombs.

The United States has been stockpiling atomic weapons of many types and sizes for the past two years. But until now Russia has apparently been concentrating on production of a single "early model" A-bomb.

The Atomic Energy Commission announced last night that a "fission explosion" took place in Russia Aug. 23. This is the language the AEC uses to denote an atomic blast, as opposed to an H-bomb test, which is called a "thermonuclear explosion."

The AEC had announced earlier this month that Russia set off a hydrogen explosion Aug. 12. The second test, coming only 11 days later, led the AEC to conclude the Russians are conducting a "series" of nuclear experiments.

The brief official announcement said the latest Soviet explosion "was in the same range of energy release as our recent Nevada tests." Those tests, conducted last spring, involved 11 different atomic shots which were reliably reported to range in energy release from the equivalent of 15,000 to 50,000 tons of TNT.

Thus the AEC made clear there was nothing spectacular about the size of the latest Soviet explosion.

A J-shaped dagger is part of what every well-dressed Arab must wear in Zanzibar.

Search Continues for Vicious Attacker Who Set Teacher's Clothing Afire With Lighter

Tobacco Users Set New Records

WASHINGTON, (AP) — Cigarette users sent up record clouds of smoke in the 12 months ended June 30.

Nearly 397 billion cigarettes were consumed, an increase of 3 1/2 per cent from the previous year, the Agriculture Department estimated today. The percentage of increase, however, was slightly less than in the two preceding years.

Cigar smokers had a busy year, too. They consumed about six billion cigars, also a gain of 3 1/2 per cent from the previous year. But cigar smokers have had two bigger years, the department said.

OPP, Ala. — A vicious attacker who set a young schoolteacher's clothes afire with his cigarette lighter after he failed to rape her, eluded bloodhounds, police and hundreds of townspeople early today.

The 23-year-old victim, identified as Mrs. Murren Nix, fled screaming through her yard with her clothes blazing after the unidentified man attacked her in her home in this south Alabama town.

A neighbor's son ripped off the burning clothing.

Mrs. Nix received only minor burns, but her neck was badly scathed by the rope which the attacker twisted her when she entered her darkened home.

Hundreds of angry citizens from OPP and nearby communities swarmed into the search with lawmen and state patrolmen following the attack last night.

Bloodhounds picked up a trail and bayed after it through dense underbrush two miles west of OPP but lost the scent soon after midnight.

Mrs. Nix told police the attacker thrashed her from behind with the rope. She said she never saw the man in the struggle but the sound of his voice led her to believe he was white.

She said she was finally thrown to the kitchen floor but continued to resist.

"All right, then, damn you," she quoted the man, "I'm going to burn you then."

She said he kept her pinned down on the floor while he put the cigarette lighter to her clothing. She either freed herself or was thrown loose and ran from the house.

Her husband was due home from work shortly before the attack occurred.

ST. LOUIS (AP) — The American Legion thrust aside national convention conflicts and routine today to parade for hours through downtown streets.

For many Legionnaires it was the highlight of the four-day annual convention — the chance to display colorful uniforms replete with even more colorful decorations.

It was the day for everyone to have a good time.

Put aside for the day were the expected floor fights over the proposed Air Force budget cuts and this nation's participation in the United Nations. Those issues probably will come up tomorrow.

A sprinkling of notables, including Vice President Richard M. Nixon, joined the veterans of three wars — World War I and II and the Korean conflict — in the parade expected to take 10 hours to pass.

Traffic in the area was blocked off and streetcars and busses to the downtown area rerouted.

In addition to the veterans uniformed groups of the Legion Auxiliary and Sons of the Legion took part. Also marching were units of the Army, Navy, Air Force, Marine Corps, Coast Guard and National Guard. Military planes flew overhead at intervals.

Three hundred bands and drum and bugle corps supplied the music.

Merchants Discuss Stock Show

The Retail Merchant's Committee, the Hope Chamber of Commerce met in the Chamber office Monday afternoon. August 31, C. C. Lewis presided in the absence of Chairman Farrell Hall with about 15 merchants present.

Manager Bob Shivers, of the Third District Livestock Show, met with the group and explained the Goodwill Tour, street decorations, and other phases of the annual fair.

The group unanimously voted to participate in the city-wide decoration program and to sponsor the annual Goodwill Tour for the show.

The Chairman will announce committees handling these functions in the next few days. The date of the tour was set for Wednesday, September 23, to follow about the same route the tour made last year.

Manager Shivers discussed the Galaxy of Stars review, booked for the first two nights of the show. The merchants group voted unanimously to handle the guest ticket program for the review, the details of which will be announced at a later date.

The meeting adjourned until the next regular meeting time, which will be Monday afternoon, September 14.

Federal Aid Is Refused on a Section of 67

LITTLE ROCK, (AP) — The Bureau of Public Roads has refused to approve use of federal aid funds in a proposed improvement of U. S. Highway 67 south of Benton to the Saline-Hot Spring county line. It was disclosed today.

The disapproval came out at a conference of highway Director Herbert Eldridge and F. R. Oliver, Bureau of Public Roads engineer here.

The meeting was arranged in an obvious attempt to refute rumors that there has been friction between the bureau and Eldridge who started his fifth month as Arkansas highway director today.

Both men said that there was "no basic disagreement" but Eldridge stressed that the federal viewpoint and the state viewpoint were not always the same.

If there is any personal friction between the two it was not apparent at today's meeting.

Oliver said he had recommended the Highway 67 improvement because he thought the road should be rehabilitated and he believed it could be rehabilitated at a cost not prohibitively in excess of what it would take to carry out the present proposed improvements.

Millions Are Sweltering Over Nation

By The Associated Press
No general break in the summer season's longest and hottest heat wave appeared in sight today.

More hot and humid weather was the immediate outlook for sweltering millions from the Rockies eastward to the Atlantic Coast. There was no heavy rainfall in prospect for at least a couple of days, if not longer.

The week-long spell of desolate weather was blamed for scores of deaths. There were hundreds of persons overcome by the heat.

The oppressive weather also brought a slow-down in business and industry. Thousands of workers in offices and factories were sent home yesterday as the mercury edged toward the 100 degree mark.

Heat records for the date, as well as for the month of August, were broken in many cities. Temperatures in some sections of the swelter-belt have hit 95 or higher every day for the last week.

The Weather Bureau reported readings of 90 or higher from all states east of the Rockies yesterday. But the mercury soared above 100 in many places.

Many on the way to work yesterday reported water shortages and use of water has been restricted.

Some of the hottest spots yesterday: Hagerstown, Md., 107, the highest reading in 23 years; Fredericksburg, Va., 106, top mark in 61 years; Gordonsville, Va., Portsmouth, Ohio, 105; Pierre, S.D., and Presidio, Tex., 103; Richmond, Va., 102; Philadelphia, Louisville, Ky., Moline, Ill., Frederick, Md., Bismarck, N. D., 101.

Carpentry Class to Meet Thursday

A GI Carpentry class will begin Thursday, September 3, at Hope High School. All veterans enrolled are notified to be at the school at 7 p.m.

Colony of Heavy Eaters

The cormorant lives on a fish diet, mostly anchovies, and the cormorant colony on the Peruvian island of Chincha requires 1000 tons of fish daily to keep it alive.

School Buses to Make Same Routes as Last Year

According to Superintendent James H. Jones all school buses will make the same routes as last year with the first run scheduled for Thursday and Friday, Sept. 3-4. The bus will run at the usual time.

Thursday Grades 1-2-3 are to report to respective schools; 7th graders report to Junior High and Grades 9-10 to senior high.

Friday Grades 4-5-6 report to respective schools; 8th grade to Junior High and 11-12 to the high school.

School starts on regular schedule Monday, September 7.

A general teachers meeting will be held at 10:30 a.m. Wednesday in the Junior High auditorium.

Slavs Protest Incidents at Trieste

LONDON, (AP) — Yugoslavins today formally protested in Italy of frontier provocations and warned that Yugoslavins will "discard all responsibility" for what might happen if the incidents continue.

A stiffly-worded note delivered in Rome today protested "energetically" against what it called "the armed demonstrations of the Italian units along the Yugoslav-Italian frontier."

The note, as summarized in a Belgrade RRadio broadcast, also "expressed expectation that the Italian government will restore such methods so that these acts might not become a precedent in two countries."

The border incident was magnified in importance by the latest thrust in the 7-year-old feud between Italy and Yugoslavia over Trieste.

Italy has "categorically" denied the Yugoslavins over Trieste.

Italy has "categorically" denied the Yugoslavins charge and a foreign ministry spokesman in Rome said the accusation was "absurd and fantastic."

Soviet Diplomat Has Heart Trouble

TEHRAN, Iran (AP) — Soviet Ambassador Anatoly Lavrentiev was reported ill today with according to Russian sources — "heart trouble."

An Iranian Foreign Ministry source quoted a Russian official as saying the Lavrentiev had been confined to his bed for several days following a heart attack caused by the high altitude of Tehran.

Earlier the Iranian capital had been swept by rumors, all unconfirmed, that Lavrentiev had attempted suicide after receiving a telegram recalling him to Moscow.

Communist prestige suffered a bad reverse as a result of the overthrow Aug. 19 of Red-supported Premier Mohammad Mossadeq and the triumphant return of the Shah.

Time Workers Still on Their Own Time

LITTLE ROCK, (AP) — Striking AFL union workers at the U.S. Time Corp., plant here held a rank and file meeting today to act on the results of labor-management talks.

Nature of the results to be acted upon were not disclosed by Federal Mediator Charles A. Wheeler.

Wheeler, who announced the purpose of the 10 a.m. meeting, met yesterday with P. J. McFadden, U. S. Time industrial relations director, and C. H. Applewhite, an International Association of Machinists official.

Yesterday's conference was the second in a series aimed at ending the month-old walkout which has idled some 1,100 workers in a wage dispute.

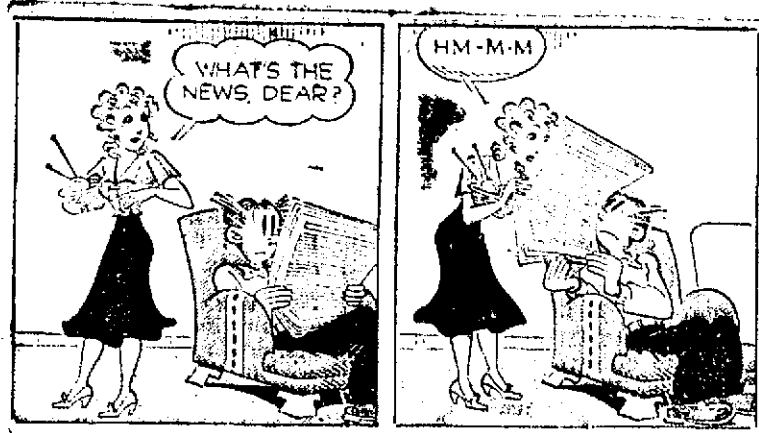

Work continues daily at the high school as Coaches Lawrence Martin and John Pearce send the Bobcat squad through rugged practice sessions . . . the first game is less than two weeks away . . . ironically up in Howard County, Nashville seems to be counting heavy on Jewell Copeland, a tackle transfer from Hope.

A note from Texas reveals that A/2 James D. Wardlaw, son of Mr. and Mrs. Lester Wardlaw of Longview, has graduated with honors from a service school at Warren Air Force Base, Cheyenne, Wyo., and is now taking Diesel training at Nordrup, Milwaukee, Wisconsin.

West Germans Uncover Plot to Wreck Elections

BONN, Germany, (AP) — The West German government said today it has uncovered a Communist plot to wreck next Sunday's national election by destroying voting stations throughout the country.

Substitution Rule Has Coaches Hot

NEW YORK (AP) — It wasn't the heat, it was the limited substitution rule that had the nation's college football coaches hot under the collar today as most of the top teams went through their opening practice sessions.

This was pre-war football — one

IN THE HEMPSTEAD PROBATE COURT
IN THE MATTER OF THE ESTATE OF ANNA LOU JOHNSON, A MINOR
KATHRYN JOHNSON, GUARDIAN

NOTICE IS HEREBY GIVEN THAT Kathryn Johnson as guardian for Anna Lou Johnson, a minor, has filed her petition in said court asking for authority to sell to Lee Ashley, the lands hereinafter described, for \$170.00 cash, at private sale, free of all encumbrances, said lands being situated in Hempstead County, Arkansas, and described as follows, to-wit:

All of Lots Fourteen (14) and Fifteen (15), and a strip of land 14 feet in width along the entire extreme west side of Lot 9 and adjoining said Lot 14 and a strip of land 15 feet wide and 100 feet long along the extreme north side of Lot 10 adjoining said Lots 14 and 15 — all in Block Twenty-one (21) in Smith's Addition to the Town of Fulton, Arkansas.

By order of said Court, said petition will be heard by said Court or the Judge thereof, at 10:00 a. m., Wednesday, September 9, 1953, in the Court Room in the Hempstead County Court House in the City of Hope, Arkansas.

IN TESTIMONY WHEREOF, I have hereunto set my hand and the seal of said Court on this 24th day of August, 1953.

NOTICE OF BOND SALE

Notice is hereby given that the Hempstead County, Arkansas, will sell at public sale for cash to the highest bidder its proposed issue of \$200,000 in 4 1/2% hospital bonds dated June 1, 1953, interest payable semi-annually, and maturing serially on December 1 of each year as follows:

\$ 8,000 in 1954, 1955 and 1956
9,000 in 1957 to 1960 inclusive
10,000 in 1961 and 1962
11,000 in 1963, 1964 and 1965
12,000 in 1966, 1967 and 1968
13,000 in 1969 and 1970
14,000 in 1971 and 1972
15,000 in 1973 and 1974
16,000 in 1975 and 1976
17,000 in 1977
18,000 in 1978

The bonds were authorized at the general election held on November 7, 1950, at which time the electors also approved a three mill building fund tax for their payment, which will continue annually until all the bonds and interest are paid in full. The present assessed valuation of the taxable property in the county is \$10,083,639.00. The bonds are being issued for the purpose of constructing a county hospital.

The buyer may name the place of payment and trustee, and may have the right to convert the bonds to bonds bearing a lower rate of interest, such conversion to be in substantial accord with the Universal Bond Values Tables and subject to the approval of the County Court. The buyer will be expected to pay the expenses of printing the bonds and the fee of the trustee and of Townsend & Townsend, bond counsel, upon whose unqualified approving opinion the bonds will be sold. The bonds will be callable for payment prior to maturity in inverse numerical order at par and accrued interest, as follows: from surplus funds derived from the three mill building tax, on any interest paying date; from funds from any source, on any interest paying date on and after June 1, 1953.

The sale will be held upon auction bids at 10 o'clock A. M. on the 16th day of September, 1953, in the office of the County Judge in the Court House at Hope, Arkansas. Each bidder will be required to file a certified check in the sum of \$500.00, payable to the County to be held as liquidated damages if he is the successful bidder and fails to complete the purchase. Other checks will be returned promptly. The County reserves the right to reject any and all bids. For further information address the undersigned.

GIVEN by order of the County Court this 19th day of August, 1953.

Cotton Loop All-Star Team Named

HELENA (AP) — The Cotton States League named winning Meridian Millers captured five of the 13, both on the loop's all-star team yesterday.

Sportswriters and managers selected the squad and the players were announced by League President Al Haraway who headquartered here.

Only unanimous choice on the dream team was Greenville Bucks third baseman Ray Popianka. Nearly unanimous choices — they lacked one vote apiece — were right-fielder Louis Schaufele of Jackson and pitcher Bobby Harrison of Meridian.

Second place El Dorado sixth-place Greenville placed three men each, and fourth place Jackson and fifth-place Hot Springs, one each.

The rest of the loop's teams failed to place.

With El Dorado manager Bill Adair chosen for the helm, the team goes like this:

Pat O'Keefe of El Dorado, first base; Hugh Glaze of Meridian, second base; Popianka, third base; Dolph Regelsky, of Meridian, shortstop; Schaufele, right field; Hal Martin of Hot Springs, center field; Gene Ponder of Meridian, left field; Bill Lewis of Meridian, catcher; and Harrison, Tom Pollock and Charles Lindquist of Greenville and Bob Brown of El Dorado, pitchers.

A normal Holstein calf develops from a birth weight of about 91 pounds to 1,075 pounds in two years. The Madrasa cockroach bears its own young alive.

Wyatt Pleased With Mental Attitude of Porks But That's as Far as He Cares to Go

By CARL BELL
FAYETTEVILLE (AP) — Borden Wyatt, the determined and successful young coach hired to lift the University of Arkansas' sagging football fortunes, saw a couple of rays of light today.

"From the time we start practice tomorrow," he said, "we'll have four weeks to get ready for the opening game with Oklahoma A. & M. Not having to work quite so fast as we would with an earlier opener, we'll try to get the in top physical condition first and maybe we can avoid a lot of early injuries."

The other thing that pleased the ex-Tennessee star who built winning teams at the University of Wyoming before coming here to Fayetteville was an indication of a high-spirited, if short-tempered, squad.

"I'm tickled to death with the attitude of the boys I've seen this summer," he said.

Wyatt was seeing more of his porkers today as they checked in to go to work at 9 a. m. tomorrow.

Otherwise, however, the picture looked none too bright for Wyatt. His task is to try to build a better team from what's left of the 1952 outfit that won only two of 10 games plus a couple dozen newcomers, mostly boys from last year's freshman squad that broke even in a 4-game schedule.

He began replacing the dougla split T with his own single wing-back attack in spring practice, but most of the off-season drill period was devoted to finding out "what boys want to play football" rather than to installing a full repertoire of offensive plays.

The razor-back manpower picture underwent a change after spring practice as some of the better boys were lost through scholastic failures and to professional baseball.

This means, Wyatt said today, that he'll have to juggle some players from one position to another to "get the 25 or 30 best boys where they can play the most football."

"I don't know just what switches will be made," he added.

Three men have been added to

17,000 in 1977
18,000 in 1978

The bonds were authorized at the general election held on November 7, 1950, at which time the electors also approved a three mill building fund tax for their payment, which will continue annually until all the bonds and interest are paid in full. The present assessed valuation of the taxable property in the county is \$10,083,639.00. The bonds are being issued for the purpose of constructing a county hospital.

The buyer may name the place of payment and trustee, and may have the right to convert the bonds to bonds bearing a lower rate of interest, such conversion to be in substantial accord with the Universal Bond Values Tables and subject to the approval of the County Court. The buyer will be expected to pay the expenses of printing the bonds and the fee of the trustee and of Townsend & Townsend, bond counsel, upon whose unqualified approving opinion the bonds will be sold. The bonds will be callable for payment prior to maturity in inverse numerical order at par and accrued interest, as follows: from surplus funds derived from the three mill building tax, on any interest paying date; from funds from any source, on any interest paying date on and after June 1, 1953.

The sale will be held upon auction bids at 10 o'clock A. M. on the 16th day of September, 1953, in the office of the County Judge in the Court House at Hope, Arkansas. Each bidder will be required to file a certified check in the sum of \$500.00, payable to the County to be held as liquidated damages if he is the successful bidder and fails to complete the purchase. Other checks will be returned promptly. The County reserves the right to reject any and all bids. For further information address the undersigned.

GIVEN by order of the County Court this 19th day of August, 1953.

HEMPSTEAD COUNTY, ARKANSAS
By U. G. Garrett
County Judge

Attest:
Harry Hawthorne
County Clerk
Aug. 25, Sept. 1, 8
